

NATURAL GAS ENGINE OIL SAE 30

LOW ASH GAS ENGINE OIL

Product Description: **NATURAL GAS ENGINE OIL SAE 30** is a unique blend of carefully selected premium base oils and additives. The product is good for severe high load and high temperature conditions for high output four-cycle engines operating on Natural Gas.

Features:

- Offers exceptional Oxidation and Nitration resistance.
- Outstanding Antiwear and Antiscuff protection.
- Advanced Technology Additive System.
- Effective corrosion protection.
- Excellent Detergency & Dispersancy to minimize Deposit built-up.

Typical Uses:

- New and Rebuilt engines.
- For Caterpillar, Superior, Waukesha and other Turbocharged and Naturally aspirated engines needing low ash oil.
- Lean Burn and Stoichiometric Four-cycle engines.
- Note: We can formulate a SAE 40 based on request.

Typical Specifications:

PRODUCT	SAE-30
Gravity °API	30.0
Color (ASTM D 1500)	4.5
Appearance	Bright & Clear
Zinc, Wt.%	0.028
Calcium, % Wt	0.115
Viscosity: cST @ 100° C.	11.5
